

Should I bring an outdoor power bank when I go to Cuba

Do you need a packing cube in Cuba?

Whether you bring a suitcase or backpack, packing cubes are a life-saver for either, especially if you are visiting multiple places in Cuba and plan to be traveling every few days.

How can I help the Cuban people?

If you want to help the Cuban people, then I'd recommend considering asking a couple of organizations in Cuba that items would be useful. The folks at Cuba Solidarity regularly publish items that would be of use, and these include specialist medical equipment ? like sterile gloves, or disposable syringes.

How difficult is it to buy items in Cuba?

Unlike other countries where you can simply pop into a CVS/Target/DM and grab what you need, it is a bit more difficult to buy certain items in Cuba due to sanctions and economic conditions. For this reason, I really recommend you follow this Cuba packing list and consider your needs carefully.

How much cash can you bring into Cuba?

You can bring in up to US\$5,000 of cash into Cuba as well as non-personal items up to US\$1,000 in value. What items are hard to get in Cuba? The following items are difficult (and expensive) to get in Cuba and are good examples of what you might bring to Cuba.

Do you need a VPN to travel to Cuba?

Best to be prepared. The most important thing you can pack to take to Cuba? A VPN in Cuba is essential if you plan to use the internet ? AT ALL ? you'll need it to view your regular news sites, protect data when connected, AND to book Viajul Tickets. Let's also consider the current world situation when you're packing as well.

Do you need a cell phone charger in Cuba?

It will give you at least 2 full charges for your cell phone and it comes with two chargers that are the size of a phone. Cuba mostly has 110 volt outlets so Americans and Canadians won't need a power adapter. Europeans should bring a travel adapter for Cuba. 2. Rain Jacket for Both Cuba's Rainy Season and Dry Season
